SFI Spec 6.1W Containment Bellhousing for SFI 1.1 & 1.2 Clutch Assemblies for limited naturally aspirated vehicles, and forced induction applications with torque converters

Participating Manufacturers - updated February 20, 2026

Notice: This is a list of certifying manufacturers participating in SFI Spec 6.1W Program. SFI specifications require that the certifying manufacturer's name or logo appear on or in the product, including when sold under another brand name under a private label agreement.

Appearance on this list only indicates the certifying manufacturer's participation in an SFI Program. The list does not indicate an endorsement of business practices, or a warranty of product by SFI.

Certification that products meet SFI minimum standards is made by the product manufacturer. Products and Companies/Manufacturers are NOT certified, endorsed, or approved by the SFI Foundation under this Program.
